**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please NO more price hikes in increasing the cost of internet and telephone services. Why are people here in United States paying more money than other countries around the world? Broadband is critical in San Francisco. We have fiber in my neighborhood which is faster and less costly. Sonic has given me faster service than the other competitive DSL company.
